- Materials
- 3 – 6" x 9" strips of paper
 - labels
 - 3 – 9" ribbons
 - 3 – "crystal light" cans
 - 1 – sheet of coordinating paper
 - Mod Podge
 - Hot Glue & Gun
 - Scissors
 - Paint Brush
 - Sharp Blade (exacto or scapel)

Gather all materials

Glue Paper to Tubes, along with ribbon.
Measure 3.5" from bottom for ribbon placement.
Be sure to close ribbon where the paper is also closed.

Cut out tags, you can curl them slightly by running each along the edge of a table. Cut out 3 slightly large ovals from the coordinating paper, curl them slightly. Mod Podge them together and then again over the ribbon on the front. Mod Podge the entire canister.

Cut 1.5" x .25"
opening in the lids
with sharp utensil.
